YOU MADE IT!!

YOU'RE A 4TH GRADER!!

It is so hard to believe that the school year is over! It seems like yesterday that I first met all of my special and unique 3rd grade students. We have learned so much together this year, and I feel that we have all grown as a result of the influences we have had on one another. You each brought something different to school everyday, and I am so thankful for all of your contributions! Thank you for sharing your 3rd grade year with me.

Please keep in touch with me! I can't wait to hear about all the marvelous things you achieve in your life! I love each of you very much!

Mrs. Flesner
